We don't stop playing because we leave childhood; we leave childhood because we stop playing.

KIDS KLUB HELPS PARENTS HAVE FUN

Brian Chiasson

Is it difficult to find a good babysitter when you want to enjoy a night out?

Not anymore.

Once a month, your kids can have a special night out, playing games, doing crafts, swimming and playing sports. Waiting for the day to arrive might be as exciting as waiting for Christmas.

Every month, from month to month, different activities will be planned. A dinner is also served, followed by a swim.

This means, once a month, you get to a special night out, or at home (wink-wink), without distracting children.

There are currently 23 seats available on Saturday, April 7, 2012, at the River Grove Community Centre, 5800 River Grove Ave.

They will enjoy the Children's Room and Kaneff 1 & 2 for four hours, from 5:30 until 9:30 p.m. These rooms are wheelchair accessible, and include a fridge and audio visual equipment.

The fees are \$19.44 and \$24.44.

All children must be between 6-years-old and 11-years-old.
