Did you know there are two indoor playgrounds for kids in Mississauga?

These facilities have toys, games, huge slides and enormous playhouses.

In some ways, it's a jungle because it has both a Chimp Room and a Gator Room.

The place is called Let's Have Fun and they offer a couple of party packages for kids:

2 Packages

- ▶ The Basic Party Package
- ▶ The Deluxe Party Package

These two packages share three things in common:

- 1) you can invite 18 kids between 1 & 8 years old,
- 2) all these kids get two full hours of exclusive use of the playground, and
- 3) coffee and tea is provided along with cups, milk, sugar and stir sticks.

With the Basic Package, there are two additional items to consider:

- ▶ There are three pitchers of juice (no cups provided).
- ▶ The Chimp room allows up to 24 children. However, the Deluxe Party Package offers several additional features to consider:
 - ▶ A balloon bouquet of 4 balloons for the birthday child.
 - ▶ 1 cheese or pepperoni party size pizza (24 slices).
 - ▶ Pop & 6 pitchers of juice.
 - ▶ A 10" personalized birthday cake & character choice.
 - ▶ Tableware for kids (plates, cups, forks & napkins).
 - ▶ Up to 18 candy-filled loot bags.
 - ▶ Each additional child beyond 18 will only cost \$7.

Deluxe

Regarding prices, the Deluxe package for two hours on a Friday, Saturday or a Sunday, costs \$349.

However, the Deluxe package for two hours, on any day from Monday through Thursday costs \$329.

If you book the Basic package for two hours on a Friday, Saturday or a Sunday, it costs \$209.

However, the Basic package for two hours, on any day from Monday through Thursday, it costs \$179.

Then again, the Basic package for two hours (if it's before 3 p.m.), on any day from Monday through Thursday costs \$145.

Bonus \$55 Savings

If you want an additional 30 minutes above the two hours, it costs another \$55.

Or, if you want an additional hour, for a total of three hours of playground fun, it costs another \$95.

If you want a four-hour party, it will cost twice the price of a two-hour party.

Let's Have Fun, the indoor playground, is being exceptionally generous this summer during the months of July and August only. They will give you an extra 30 minutes for free, on top of the two-hour packages, but only if you book now. That's a \$55 savings.

This offer does not include holidays.

Local City Fun, the newspaper, can also be visited at www.localcityfun.com.

In the newspaper version, the one you hold in your hands, we are very limited in our space. Once it's full, we have no more room for anything else.

However, we provide much more fun on the website because there's lots of space. You will find:

- ▶ Each page of the newspaper in a PDF format.
- ▶ PDFs about many other fun events that couldn't fit into the newspaper.
- ▶ Archives of features about fun events going all the

way back to January, 2009, our first edition.

▶ At the bottom of the home page, you will also find links to dozens of puzzles, fun websites that help you learn about all kinds of topics, and we're starting a link that will offer photographs and artwork from people who wish to contribute.

▶ Additionally, we intend to provide lots of short and entertaining videos to tickle your interest.

Finally, if you love designing websites, you might consider joining us. We are starting to form a team of volunteers to make our site a truly impressive one.
